Please complete the following application form and send all application materials to info@chstrainingprogramme.org by 11:59PM GMT on 7 April 2022.

Name (First and Last Name):

Date of birth:

Email address:

Phone number (please include country code):

Current professional employment in architecture, heritage and/or conservation:

Educational background:

*If a current MA/MSc student, please list your current degree course:

Please select the modules in which you would like to enrol (multiple module selections are allowed).
Please note that preference will be given to applicants who can attend two or more consecutive modules.

- **Module 1 (8 May – 12 May):** Area character appraisal
- **Module 2 (15 May – 19 May):** Conservation assessment with on-site fieldwork
- **Module 3 (22 May – 26 May):** Conservation management and design guidelines

How will this programme be beneficial for your professional work? Or, why would you like to enrol in this programme? (100 words or less)

In addition to completing the above application, please upload a copy of your resume/CV to this application.

Following your application submission, please arrange for a professional reference letter to be sent to info@chstrainingprogramme.org in support of your application. The letter should be no more than 250 words in length and should be authored by a professional colleague, such as a manager or director in your organisation. For MA/MSc/PhD applicants enrolled in a relevant programme, please arrange for a 250-word reference letter from a faculty member supervising your work in your academic institution.

Please direct any questions regarding this application form and/or the St. John's, Antigua Research Studio to info@chstrainingprogramme.org.
